Brief
description
and location
of proposed
development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby permit the development proposed by you in your application dated 9th September, 1975
and received with sufficient particulars on 10th September, 1975
and shown on the plan(s) accompanying such application, subject to the following conditions:—

- (1) The development to which this permission relates shall be begun within a period of **five** years commencing on the date of this notice.
- (2) No work shall be started until a comprehensive scheme of landscaping (Including existing trees and shrubs) for the site shall have been submitted to and approved by the Local Planning Authority. This landscaping scheme shall be implemented strictly in accordance with the approved details in the first planting season following the occupation of the development and shall be maintained at all times thereafter to the reasonable satisfaction of the Local Planning Authority.
- (3) None of the dwellings hereby permitted shall be occupied until
 - (a) the access roads and footpaths servicing it shall have been substantially completed with the possible exception of final carriageway surfacing, and
 - (b) the car parking/garaging facilities shall have been provided and such items shall be maintained at all times thereafter.
- (4) Visibility sight lines shall be provided at all road junctions to the satisfaction of the local planning authority in consultation with the highway authority and there shall be no obstruction more than 1m high within such sight lines.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:-

- (1) To comply with the requirements of Section 41 of the Town & Country Planning Act, 1971.
- (2) and (7) To maintain and enhance visual amenity.
- (3), (5) and (6) To ensure the proper development of the site.
- (4) To meet the requirements of the highway authority and in the interests of road safety.

Dated.....22nd.....day of.....December.....1973.....

Signed..........

Designation Director of Technical Services.

NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Whitehall, London, S.W.1.) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.

- (5) No work shall be started on the development hereby permitted until -
 - (a) details of materials to be used externally shall have been submitted to and approved by the Local Planning Authority, and
 - (b) details of screen fencing/walling/hedging including the treatment of plot boundaries on the footpath frontage of each dwelling the whole of the highway frontage to Hempstead Road shall have been submitted to and approved by the Local Planning Authority.
 - (6) None of the dwellings hereby permitted shall be occupied until the screen fencing/walling/hedging referred to in Condition 5(b) relating to that particular dwelling shall have been provided and it shall be maintained at all times thereafter to the reasonable satisfaction of the Local Planning Authority.
 - (7) None of the trees or hedgerows existing on the site at the date of this permission shall be removed without further prior written approval of the Local Planning Authority with the exception of those immediately required for the development hereby permitted. All trees and hedgerows shown to be retained shall be properly protected to the reasonable satisfaction of the Local Planning Authority before any construction work commences and any damaged planting shall be reinstated not later than the first appropriate planting season thereafter.
