Director of Planning

Date of Decision: 08.09.1994

(ENC Reasons and Notes)

REASONS FOR REFUSAL
OF APPLICATION: 4/0828/94

Date of Decision: 08.09.1994

1. The proposal, due to its prominent location, would have a seriously detrimental impact on the general character and appearance of Little Gaddesden Conservation Area.
2. The proposal, due to its location, would result in buses being parked on the road at a point which would give rise to conditions prejudicial to highway safety.
