Dear Sir/Madam

**WORKS TO TREES IN THE CONSERVATION AREA:
ST. CROSS CHURCH, TRING ROAD, WILSTONE, TRING, HERTS**

Thank you for your letter of 02 May 1999 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reasons:

1. The trees are not in a good condition. Many of the trees are double stemmed and some of them are being suppressed by larger trees.
2. The works to the trees will increase light and safety levels to the Old Forge.

This decision, which was made on 17 June 1999, allows you to progress these works.

Yours faithfully

Director of Planning
