Director of Planning

Date of Decision: 26.09.1996

(ENC Reasons and Notes)

REASONS FOR REFUSAL
OF APPLICATION: 4/0845/96

Date of Decision: 26.09.1996

The proposal takes little account of the existing internal features of this Grade II Listed Building entailing the removal of chimneys, timber beams and timber framed walls. Therefore the proposed works will have a severely detrimental effect on the historic character, fabric and integrity of the Listed Building.
