Director of Planning

Date of Decision: 07 July 1998

CONDITIONS APPLICABLE TO APPLICATION: 4/00870/98/FUL

Date of Decision: 07 July 1998

1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Reason: To comply with the requirements of Section 91 (1) of the Town and Country Planning Act 1990.

2. No development shall take place until samples of the materials to be used in the construction of the external surfaces of the development hereby permitted (including tiles and ridge tiles, facing bricks and band course bricks) shall have been submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason: To ensure a satisfactory appearance to the development.

3. Prior to commencement of work on the extensions hereby approved, details (including material, colour and section) of all rainwater goods shall be submitted to and approved by the local planning authority. The development shall be carried out in accordance with the approved details.

Reason: To ensure a satisfactory development.

4. Prior to commencement of any work on the extensions hereby permitted, details of any external vents, ducting or similar features shall have been submitted to and approved by the local planning authority. The development shall be carried out in accordance with the approved details.

Reason: To ensure a satisfactory development.

5. Prior to commencement of any work on the extensions hereby permitted, details of all windows (showing the head, sill, frame, material, colour and method of opening) shall have been submitted to and approved by the local planning authority. The development shall be carried out in accordance with the approved details.

Reason: To ensure a satisfactory development.
