Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:
ST LAWRENCE'S CHURCH, CHURCH STREET, BOVINGDON, HEMEL
HEMPSTEAD, HERTS, HP3**

Thank you for your letter of 02 May 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

The pruning of the Yew trees (as described in the documents submitted with the Notice) will not have any adverse impact on the character or appearance of the Conservation Area. Pruning of the Yew trees will be beneficial from an arboricultural point of view and will reduce the overhang into adjacent properties.

This decision, which was made on 16 June 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully

**Colin Barnard
Director of Planning**
