## PART II - INFORMATION AND OBSERVATIONS

(To be completed by the local planning authority who will be the District Council or the County Council if the proposed development is to be dealt with as a county matter.)

Planning Reference No. 4/0880/88SU

1. Names of interested parties consulted as to the proposals with details of any observations received.

Wigginton Parish Council - no objections

2. Particulars of any representations which have been made to the local planning authority objecting to the proposals.

None received

3. Have any general or specific restrictions been imposed by any authority on development of the land affected by the proposed development?

Yes - restrictive policies have been adopted by the Borough Council and Herts County Council inasmuch as the land falls within the Metropolitan Green Belt and the Chilterns Area of Outstanding Natural Beauty

4. Does the proposed development involve the demolition, alteration or extension of a building of special architectural or historic interest included in a list compiled or approved under section 54 of the Town and Country Planning Act 1971?

No

5. Do the local planning authority object to the proposed development in principle? (If so state reasons.)

Basically no objections, but the proposed line will run over unspoilt views of open countryside; more acceptable route (visually) would be to run the line along the access road to Rossway Home Farm and then along the Shootersway - Heath End Road to Lodge Farm Cottages.

6. Are the local planning authority prepared to approve the proposed development subject to modifications or conditions which are not acceptable to the Electricity Board? (If so specify the modifications or conditions proposed.)

7. Do the local planning authority approve of the proposed development as described, or approve of it subject to modifications or conditions which are acceptable to the Electricity Board? (If the latter, specify the agreed modifications or conditions, so as to enable the authorising Department to include them in their direction.) (Note: the precise form of any modifications or conditions subject to which the consent or directions are given is a matter for the Secretary of State, who will however have regard to the form of words agreed.)

Dated 15th August

1988.
