NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or grant permission for the proposed development, or to grant permission on approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 30 of the Town and Country Planning Act, 1971, within 12 months of receipt of this notice. Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Ministry of Transport, London, S.W.1. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the prospects of the development, and to any directions given under the order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Councillor Council, or on the Council of the county borough, London, borough or county district in which the land is situated as the case may be, a purgative notice requiring that council to discharge his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to Act 1971.
