REASONS FOR REFUSAL
OF APPLICATION: 4/0919/90

Date of Decision: 23.01.1991

The use of proposed vehicular access in close proximity to the Queensway roundabout would give rise to conditions prejudicial to highway safety on a section of principal road (A4147) where it is the policy of Hertfordshire County Council to restrict the provision of new vehicular accesses in the interests of the free flow and safety of traffic.
