Dear Sirs,

54 Hunting Gate, Hemel Hempstead

I refer to your planning application of 12th June in respect of a single storey side and rear extension at the above address.

At your request, the plans were returned to you for amendment on 4th July, since which date repeated enquiries as to your intentions on the matter have received no response.

I have now to inform you that the application, having not been determined within the statutory period, is now deemed to have been refused. Should your client wish to proceed with the extension, it will now be necessary to make a new application.

Yours faithfully,

Director of Technical Services
