Dear Sir,

SINGLE STOREY REAR EXTENSION AND GARAGE AT 5 CRABTREE CLOSE, HEMEL HEMPSTEAD.

I refer to your planning application for the above development.

This authority wrote to you on 20th September 1983 requesting further details of the development but these have not been received by the Planning Department.

I draw your attention to the second paragraph of an acknowledgement letter sent to you on 28th July 1983. This states that you will be notified of a decision by the 14th July 1983. However, without the aforementioned drawings, this authority was unable to determine your application by this date. The application is therefore a deemed refusal.

Yours faithfully,

CHIEF PLANNING OFFICER.
