Dear Sirs

TOWN AND COUNTRY PLANNING GENERAL REGULATIONS 1976
USE ~~OF~~ BUILDING AS TEMPORARY OFFICES
35 MICKLEFIELD ROAD, HEMEL HEMPSTEAD

I refer to the application for deemed planning permission in respect of the above proposal. The matter was discussed by the Development Control Committee of this Council on 4 September 1986. The Committee strongly objected to this proposal on the following grounds:

- 1) An office activity in this location is unacceptable as it would be contrary to Policy 53 of the Dacorum District Plan.
- 2) There is insufficient provision for car parking to meet the standards adopted by the Local Planning Authority.

Yours faithfully

CHIEF PLANNING OFFICER
