Date of Decision: 6 August 1997

CONDITIONS APPLICABLE TO APPLICATION: 4/01012/97/TPO

Date of Decision: 6 August 1997

1. All works to be carried out to BS 3998:1989 'Recommendations for Tree Works' standards.

Reason: To ensure proper standards of tree work.

2. Only the following works may be carried out;

To crown the Purple Norway Maple, tree T2, by 20% and reduce lateral branches by no more than 2 metres.

Reason: Thinning the crown of tree T2 by 20% will reduce the 'sail' effect of the canopy and improve light levels within the garden. Tree T2 has a one sided and unbalanced crown that requires balancing by careful reduction to the lateral branches.
