KINGS LANGLEY JMI SCHOOL, COMMON LANE, KINGS LANGLEY
Condition to be attached to planning permission (4/1061-99)**

Planning Advice

Kings Langley JMI School, its staff, governors, parents and pupils, are urged to work together on the development and implementation of a School Transport Plan. More information about the preparation of such Plans is obtainable from the Transportation Policy Unit of the Environment Department (contact Trevor Mason - telephone 01992 556193). In particular the Plan should seek to reduce car usage by those using the site in accordance with the County Council's sustainable transport policies, and it should seek to alleviate any traffic problems outside the site associated with pupils being brought to and from the school by car.
