Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:  
LITTLE GADDESSEN SPORTS GROUND, CHURCH ROAD, LITTLE  
GADDESSEN, BERKHAMSTED, HERTS**

Thank you for your letter of 06 June 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

. The proposed works, namely the reduction of the crown of the Ash tree by 30%, reduction of the branches up to 5 metres in length including reducing the weight on cabled branch of the tree, will not have a harmful impact on the character or appearance of the Conservation Area. Furthermore, the works are essential to ensure the retention of the tree in the long term and to minimise the risk of future failure.

This decision, which was made on 06 July 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully

Colin Barnard  
Director of Planning
