Dear Sir,

Single storey front extension
4 Acorn Road, Hemel Hempstead

Further to my letters dated 14th October 1981 and 18th November 1981, in respect of the above matter, I am writing to inform you that as I have not received the revised drawings prior to the end of last month as previously requested, your application has been treated as withdrawn. The appeal provisions set out in the penultimate paragraph of my letter dated 13th August 1981 still apply but I would suggest that you submit a fresh planning application when you are able to do so for re-consideration.

Yours faithfully,

Chief Planning Officer
