Brief
description
and location
of proposed
development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby permit the development proposed by you in your application dated 27th November 1975
and received with sufficient particulars on 3rd December 1975
and shown on the plan(s) accompanying such application, subject to the following conditions:—

- (1) The development to which this permission relates shall be begun within a period of ... 5 ... years commencing on the date of this notice.
- 2) No work shall be started until a comprehensive scheme of landscaping (including site boundaries) for the site shall have been submitted to, and approved by, the Local Planning Authority. This landscaping scheme shall be implemented strictly in accordance with the approved details in the first planting season following the occupation of the development and shall be maintained at all times thereafter to the reasonable satisfaction of the Local Planning Authority.
- 3) No work shall be started on the development hereby permitted until details of materials to be used externally shall have been submitted to, and approved by, the Local Planning Authority.
- 4) The development hereby permitted shall not be occupied for a period of five years from the date of first occupation after completion of the development hereby permitted otherwise than by an industrial undertaking occupying on the date of this permission an industrial building as defined in the Town and Country Planning (Use Classes) Order 1972 within the County of Hertfordshire.

PLEASE TURN OVER

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:—

- (1) To comply with the requirements of Section 41 of the Town & Country Planning Act, 1971.
- 2) To maintain and enhance the visual amenity of the area.
- 3) To ensure the appearance of the development is satisfactory.
- 4) To ensure compliance with policies adopted by the Local Planning Authority so that industrial development is restricted to that necessary to meet local needs.
- 5) & 6) In order to comply with the conditions attached to the industrial development Certificate ref: IDC/3A 4/235/75.
- 7) To ensure the proper development of the site and avoid obstruction on adjoining highways.
- 8) In order to prevent the establishment of a separate office user on the site.
- 9) In order to maintain the satisfactory appearance of the site.
10. In the interests of road safety and in order to preserve the residential character of that highway.

NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Whitehall, London, S.W.1.) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.

- 5) The building shall be first used by Computer Machinery Co. Ltd., for the carrying on of their undertakings of the manufacture, sale and support of data processing equipment.
- 6) Not more than 44,000 sq.ft. of the floor space of the building shall be used for the carrying on of processes for or incidental to the purpose specified in Section 66 (1) (a) of the Town and Country Planning Act 1971.
- 7) The development hereby permitted shall not be occupied until facilities for car parking and vehicle circulation shall have been provided as shown on plan 1851/75D and such facilities shall be maintained at all times thereafter.
- 8) The offices hereby permitted shall be used only in association with the occupation of the remainder of the premises within the same curtilage.
- 9) No goods, materials or refuse shall be stored or processed outside the limits of the buildings hereby permitted.
- 10) There shall be no vehicular or pedestrian access directly to Redbourn Road.
