USE OF LAND FOR STORAGE OF MACHINERY

Your application for a *lawful development certificate* dated 20.07.1993 and received on 24.08.1993 has been **REFUSED**, for the reasons set out on the attached sheet(s).

Director of Planning

Date of Decision: 01.10.1993

(ENC Reasons and Notes)

REASONS FOR REFUSAL  
OF APPLICATION: 4/1158/93

Date of Decision: 01.10.1993

It is the opinion of the Local Planning Authority that the use of the land for storage of machinery is not lawful because insufficient evidence has been submitted to demonstrate that the use has been carried on for an uninterrupted period of ten years.
