Dear Sir/Madam

**WORKS TO TREES IN THE CONSERVATION AREA:
36 LITTLE GADDESSEN, BERKHAMSTED, HERTS, HP4 1PF**

Thank you for your letter of 30 June 1999 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reasons:

1. Although the trees are visible from the road, they make little contribution to the character of the Conservation Area.
2. Neither tree merits the protection of a Tree Preservation Order as the Sycamore has a structural weakness at the tight fork 2 metres above ground level and the conifer, a Norway Spruce, is a former Christmas tree.

This decision, which was made on 22 July 1999, allows you to progress these works.

Yours faithfully

Director of Planning
