Dear Sirs

ERECTION OF 18 HOUSES, CAR PARKING AND ACCESS ROAD -  
LAND OFF FRIARS FIELD, NORTHCHURCH

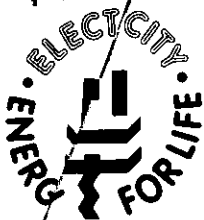

Further to my letter of 26 August 1987, I can now let you know that on 21 September 1987 I determined that this development was authorised.

Please note that this letter constitutes the written notice pursuant to Regulation 4(5) of the Town & Country Planning General Regulations 1976, and no separate Decision Notice will be issued in this case.

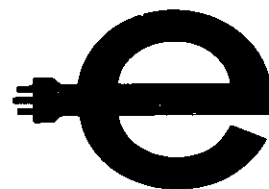

Yours faithfully

Our reference

12166/Planning

12 November 1987

Dear Sirs

Substation site, Friars Field, Northchurch

Please find enclosed a copy of plan HA2/12166/S/issue B showing, edged by a thick black line, a piece of land with an area of 13 square metres, on which it is proposed to establish an outdoor substation as permitted development.

Initially, the site will remain unfenced, being denoted by a marker post at each corner. A 1.85 metre high close boarded fence to all boundaries will be provided when the site is commissioned. Access to the site will be gained from the new estate road as shown by the cross hatching on the plan.

Will you please advise me within the next fourteen days of any observations you may have on the above proposals and any particular points to which attention should be paid when this work is carried out.

Yours faithfully

*DSJ*
