STORAGE BUILDING, EXTENSION OF PAVED AREAS AND TEMPORARY AIR-SUPPORTED DOMES OVER SWIMMING POOLS

Your application for *full planning permission* dated 31.08.1995 and received on 12.09.1995 has been **GRANTED**, subject to any conditions set out on the attached sheet(s).

Director of Planning

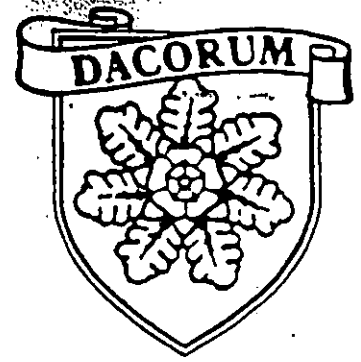

Date of Decision: 08.12.1995

(encs. - Conditions and Notes)

CONDITIONS APPLICABLE  
TO APPLICATION: 4/1184/95

Date of Decision: 08.12.1995

1. The development to which this permission relates shall be begun within a period of five years commencing on the date of this notice.

Reason: To comply with the provisions of s.91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be constructed in

(i) stained timber walls and slate roof for the storage building;

(ii) clear polythene fabric for the air-supported domes;

(iii) paving to match existing

or such other materials as may be agreed in writing with the local planning authority.

Reason: To ensure a satisfactory appearance.

3. The air-supported domes shall be inflated only during the following months:

September, October, November, February and March.

Reason: The development is a temporary expedient to meet the specific need of Beechwood Park School and the continuous inflation of the domes would have a detrimental effect on the setting of the Listed Building.

4. When the air-supported domes are not in use, the collapsed domes and fans shall be stored within the storage building hereby approved.

Reason: In the interests of preserving the character and appearance of the site.

5. When the air-supported domes are not in use, the revolving doors shall be stored in the location shown on Drawing Nos. 10.24/15A and 10.24/17A and in no other location unless agreed in writing by the local planning authority.

Reason: In the interests of preserving the character and appearance of the site.
