Director of Planning

Date of Decision: 09.11.1995

(encs. - Conditions and Notes)

CONDITIONS APPLICABLE  
TO APPLICATION: 4/1201/95

Date of Decision: 09.11.1995

1. Application for approval in respect of all matters reserved in condition 1 above shall be made to the local planning authority within a period of three years commencing on the date of this notice and the development to which this permission relates shall be begun not later than whichever is the later of the following dates:

- (i) The expiration of a period of five years commencing on the date of this notice.
- (ii) The expiration of a period of two years commencing on the date upon which final approval is given by the local planning authority or by the Secretary of State or, in the case of approval given on different dates, the final approval by the local planning authority or the Secretary of State.

Reason: To comply with the provisions of s.92 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall not be carried out otherwise than in accordance with detailed plans and drawings showing the siting, design, landscaping and external appearance of the building(s) and means of access thereto which shall have been approved by the local planning authority or in default of agreement by the Secretary of State.

Reason: In accordance with Article 3(1) of the Town and Country Planning (General Development Procedure) Order 1995.

3. Details submitted in accordance with condition 1 hereof shall include:-
  - (a) a survey of the site including levels, natural features, trees and hedges;
  - (b) garaging, parking, circulation, loading and unloading facilities;
  - (c) refuse collection and general storage arrangements;
  - (d) boundary treatment;
  - (e) construction of drains and sewers.

Reason: To ensure a satisfactory development.

4. The curtilage of the premises shall not be used otherwise than for the parking and manoeuvring of vehicles, and no goods, materials or refuse shall be sorted or processed outside the limits of the building.

Reason: To ensure a satisfactory development.

CONDITIONS APPLICABLE  
TO APPLICATION: 4/1201/95

Date of Decision: 09.11.1995

5. Details submitted in accordance with condition 1 of this permission shall include a tree survey of the site recording the species, height, crownspread, bole diameter, age and condition of all the trees, and the height and spread of all the hedgerows located on the site, indicating those trees and hedges which it is proposed to remove.

Reason: To maintain and enhance visual amenity.

6. The existing trees on the site shall be retained and adequately protected to the satisfaction of the local planning authority for the duration of development and shall not be wilfully damaged or destroyed, uprooted, felled, lopped or topped during that period without the previous written consent of the local planning authority. Any trees removed without such consent or dying or being severely damaged or becoming seriously diseased during that period shall be replaced with trees or such size and species as may be agreed with the local planning authority.

Reason: To maintain and enhance visual amenity.

7. All planting, seeding or turfing comprised in the approved details of landscaping, shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the local planning authority gives written consent to any variation, and for the purposes of this condition a planting season shall be deemed to commence in any one year on 1 October and to end on 31 March in the next following year.

Reason: To maintain and enhance visual amenity.
