19th October 1983

Dear Sir,

NEW CHIMNEY, HEMEL HEMPSTEAD HOSPITAL
(WEST HERTS WING), HEMEL HEMPSTEAD

I refer to your consultation under Circular 7/77 in respect of the above proposal. The matter was reported to Development Control Committee on 13th October 1983 when it was resolved that the District council had no objections to the proposal.

... However, certain reservations were expressed by the Chief Environmental Health Officer, and I enclose a copy of his written comments for your information. I would be grateful, therefore, if you would liaise direct with the Environmental Health Department before proceeding further with any detailed design work.

Yours faithfully,

CHIEF PLANNING OFFICER
