Your application for *full planning permission* dated 07.09.1993 and received on
07.09.1993 has been **GRANTED**, subject to any conditions set out on the attached
sheet(s).

Director of Planning.

Date of Decision: 28.10.93

(encs. - Conditions and Notes).

CONDITIONS APPLICABLE
TO APPLICATION: 4/1206/93

Date of Decision:

1. The development to which this permission relates shall be begun within a period of five years commencing on the date of this notice.

Reason: To comply with the provisions of s.91 of the Town and Country Planning Act 1990.

2. No dwelling shall be occupied until the arrangements for vehicle parking for that dwelling, including the spaces for visitor parking within the vicinity of the dwelling, shall have been provided in accordance with the approved plans.

Reason: To ensure the adequate and satisfactory provision of vehicle parking facilities.

3. No development shall take place until there has been submitted to and approved by the local planning authority a scheme of landscaping, including boundary treatment (notwithstanding the details shown on Drawing No. 9224/001 Rev N), which shall include indications of all existing trees and hedgerows on the land, and details of any to be retained, together with measures for their protection in the course of development, and details of numbers, species and proposed planting location of all new trees, shrubs and hedgerows.

Reason: To maintain and enhance visual amenity.

4. All planting, seeding or turfing and all boundary treatment comprised in the approved details of landscaping, shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the local planning authority gives written consent to any variation; and for the purposes of this condition a planting season shall be deemed to commence in any one year on 1 October and to end on 31 March in the next following year.

Reason: To maintain and enhance visual amenity.

5. Development shall not begin until a scheme for surface water drainage works shall have been submitted to and approved in writing by the local planning authority, and the approved scheme shall be implemented, including any agreed phasing of the works, before all of the houses hereby permitted are occupied.

Reason: To ensure proper drainage of the site.

CONDITIONS APPLICABLE
TO APPLICATION: 4/1206/93

Date of Decision:

6. The development hereby permitted on plots shall be constructed externally using the materials specified in the Finishes Schedules approved by the local planning authority under Reference 4/1416/92 on 3 June 1993 or such other materials as may be agreed in writing with the local planning authority prior to the commencement of the houses in question.

Reason: To ensure a satisfactory appearance.

7. Notwithstanding the details shown on drawing no. 9224/001 Revision Q the area of boundary fencing coloured green on the drawing hereby approved shall be 1.8 metres high open boarded fencing or such other fencing as may be approved in writing prior to the commencement of the works.

Reason: In the interest of the safety of pedestrians using the footpath link.

8. Development shall not begin until a scheme for protecting from vibration those dwellings which lie partly or wholly within 90 m of the centre line of the railway tunnels has been submitted to and approved by the local planning authority; and all works which form part of the scheme shall be completed before any of those dwellings are occupied.

Reason: In the interests of residential amenity.

9. Notwithstanding the provisions of the Town and Country Planning General Development Order 1988 or any amendment thereto, no development falling within Class E, F or G and no enlargement falling within Class A of Part 1 of Schedule 2 thereto shall be carried out without the express written permission of the local planning authority.

Reason: In order that the local planning authority may retain control over further development which could encroach on land overlying the railway tunnels.

10. Notwithstanding the provisions of Class B of Part 1 of Schedule to the Town and Country Planning General Development Order 1988 or any amendments thereto, there shall be no additions or alterations to the roofs of any of the buildings hereby permitted without the express written permission of the local planning authority.

Reason: In order that the local planning authority may retain control over further development, in the interests of ensuring the adequate and satisfactory provision of off-street vehicle parking facilities.
