REASONS FOR REFUSAL
OF APPLICATION: 4/1216/95

Date of Decision: 30.11.1995

1. The site is within the Metropolitan Green Belt on the adopted Dacorum Borough Local Plan wherein permission will only be given for use of land, the construction of new buildings, changes of use of existing buildings for agricultural or other essential purposes appropriate to a rural area or small scale facilities for participatory sport or recreation. No such need has been proven and the proposed development is unacceptable in the terms of this policy.
2. The use generates significant amounts of heavy traffic which compounds environmental problems currently experienced and thereby causes loss of amenity to nearby residents by reason of noise and general disturbance.
