13th December, 1977.

Dear Sirs,

Gas Cylinder Stores -
West Herts & St. Paul's Hospital

... I enclose herewith your form LL4 duly completed in respect of these proposals submitted with your letter dated 16th November, 1977.

The proposals were considered by this Council's Development Control Committee on 8th December, 1977, when it was decided to accept them without observations.

Information about the consultation has been available in the public register since 17th November, but no representations have been received. The Hertfordshire County Council has no comment and there is no Parish Council for the area.

Yours faithfully,

X

Director of Technical Services.
