Director of Planning.

Date of Decision: 23.11.1992

(encs. - Conditions and Notes).

CONDITIONS APPLICABLE
TO APPLICATION: 4/1240/92

Date of Decision: 23.11.1992

1. The development to which this permission relates shall be begun within a period of five years commencing on the date of this notice.

Reason: To comply with the provisions of s.91 of the Town and Country Planning Act 1990.

2. Notwithstanding the details shown on the approved plans the roof of the development hereby permitted shall be covered with cedar shingles or such other material as may be agreed in writing with the local planning authority prior to the commencement of works.

Reason: To maintain and enhance visual amenity within the Conservation Area.

3. The approved gravel surfacing shall not extend beyond the area coloured green on the drawing hereby approved.

Reason: To limit the amount of hardsurfacing in the interest of the character and appearance of the area and for the avoidance of doubt.

4. No development shall take place until there has been submitted to and approved by the local planning authority a scheme of landscaping, which shall include indications of all existing trees and hedgerows on the land, and details of any to be retained, together with measures for their protection in the course of development, and details of numbers, species and proposed planting location of all new trees, shrubs and hedgerows.

Reason: To maintain and enhance visual amenity.

5. All planting, seeding or turfing comprised in the approved details of landscaping, shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the local planning authority gives written consent to any variation, and for the purposes of this condition a planting season shall be deemed to commence in any one year on 1 October and to end on 31 March in the next following year.

Reason: To maintain and enhance visual amenity.
