WORKS TO PRESERVED TREES

Your application for *works to a tree protected by a TPO* dated 13.09.1995 and received on 25.09.1995 has been **GRANTED**, subject to any conditions set out on the attached sheet(s).

Director of Planning.

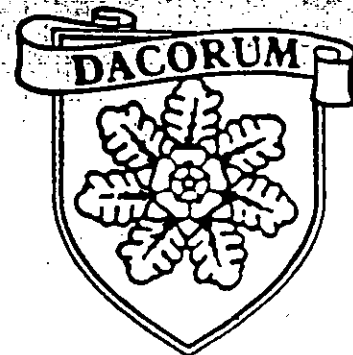

Date of Decision: 14.11.1995

(encs. - Conditions and Notes).

CONDITIONS APPLICABLE  
TO APPLICATION: 4/1243/95

Date of Decision: 14.11.1995

1. Only the following works shall be carried out to the Chestnut trees identified as T2 and T3 on the plan:
  - (a) crown lift to give a 3 m ground clearance;
  - (b) reduce lower lateral branches by up to 2 m or to the next convenient fork;
  - (c) crown thin to 25%.

Reason: Thinning will help to reduce subsidence to the Farmhouse and by reducing branches it will enable works to be undertaken to the Farm buildings.

2. The works shall be carried out in accordance with British Standards 3998:1989 "Recommendations of Tree Work".

Reason: To ensure proper standards of tree work are carried out.
