Dear Sir,

Land at junction of Abbots Rise and A.41

I refer to your consultation on form L.A.D.C.  
and can advise you that the documents were placed in  
the public register on 18th November, 1977. The  
matter was referred to the Development Control Committee  
on 8th December, when it was decided to offer no comment  
on the proposal.

I The Kings Langley Parish Council, who were consulted,  
have stated that the "application has been recommended". I

Yours faithfully,
