Dear Mr Keen

6 PARK STREET, TRING

I refer to your consultation under Circular 18/84 of the Notice of Intended Building Works and to the above address.

Thank you for giving this Authority an opportunity to comment on your proposals for replacement windows. I can confirm that the local planning authority wishes to raise no objection to the proposed works provided they match the windows fitted by the PSA some 25 years ago. The Council's Head of Conservation considers that it is important for thin glazing bars to be used on the sashes to be restored, with no horns.

Yours sincerely
