Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:
ALL SAINTS CHURCHYARD, CHURCH LANE, KINGS LANGLEY,
HERTFORDSHIRE**

Thank you for your letter of 07 July 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

The removal of the Cherry tree will not have any significant adverse impact on the character or appearance of the Conservation Area. Individually, it is not an important tree and the wooded environment of the churchyard will remain intact. The minor works to the Ash tree will be in the interests of the health of the tree so that it can make a more valuable contribution to the Conservation Area.

This decision, which was made on 10 August 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully
