Your Ref: 1287/98

Dear Miss Moloney,

Proposed Loft Conversion at 42 Belham Road, Kings Langley, Herts.

Thankyou for your letter dated 21st September 1998 in connection with the above proposals.

As suggested, I request that the planning application be withdrawn.

I was originally advised by your department (not by yourself) that I would need to make a Planning Application for the works noted above; as at the time of my enquiry the authority did not consider the works to be permitted development. Now that you have taken the view that the works are indeed permitted development and that a planning application should not have been required, I would be grateful if you could refund my clients planning application fee, as it should not have been necessary for him to have submitted it in the first place.

I look forward to hearing from you in respect of this matter

Yours sincerely,
