Dear Mrs Kay

**APPLICATION NO: 4/1289/93: REMOVAL OF PRESERVED TREES, 14 HAWKWE
L DRIVE, TRING.**

I refer to the above application and our recent conversation concerning
the application.

Upon further investigation it appears that the tree you refer to was not
included in the Tree Preservation Order which relates to the locality
and thus specific planning permission is not required to fell the tree.

I must apologise for the confusion over this matter and as a result the
delay caused in the resolution of this issue.

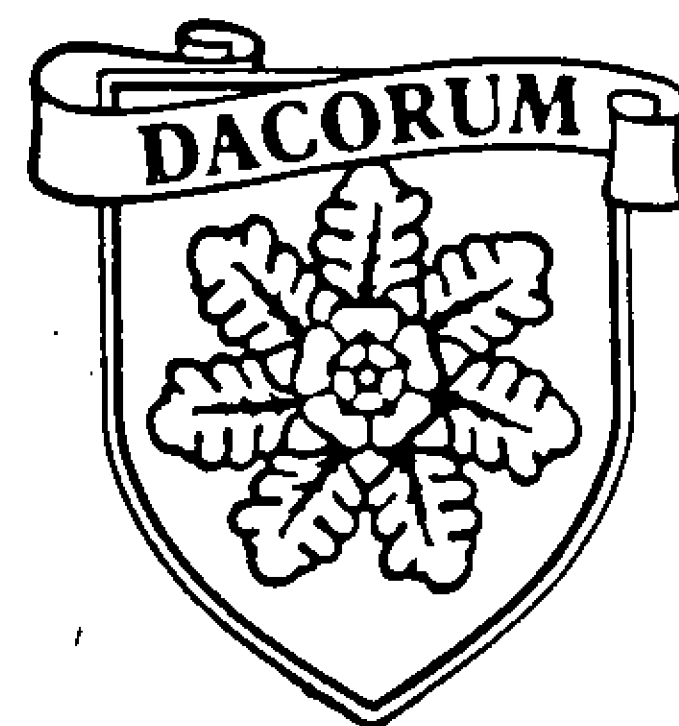

Yours sincerely

AD
