21st October 1980.

Dear Madam,

Two storey extension (outline application)
"The Briars", Water Lane, Bovington.

I refer to your application for the above development. Since I have not received the information referred to in my letter dated 1st October 1980, I have presumed that you do not wish to proceed with the proposal. I have not sought to extend the statutory time period (which expired on 15th October 1980) in order to determine the application hence the application has attracted a "deemed refusal", and I would draw your attention to the last paragraph of my letter dated 22nd August 1980 which sets out the procedure for lodging an appeal should you wish to do so. However, this would not preclude you from submitting a fresh application.

Yours faithfully,

Director of Technical Services
