WORKS TO TREE

Your application for works to a tree protected by a Tree Preservation Order dated 9 July 1997 and received on 15 August 1997 has been **GRANTED**, subject to any conditions set out overleaf.

Director of Planning

Date of Decision: 5 September 1997

CONDITIONS APPLICABLE TO APPLICATION: 4/01323/97/TPO

Date of Decision: 5 September 1997

1. All works shall be carried out in accordance with B.S. 3998 1989 Recommendations for Tree Work.

Reason: To ensure a good standard of tree work.

2. Only the following works shall be carried out:

(a) reduction of the major limb overhanging the boundary to the adjoining property by no more than 3 metres to an appropriate lateral branch;

(b) tip reduction of the overall crown by no more than 0.5 metre to an appropriate lateral branch union;

(c) thinning of the crown by no more than 10%, including the removal of any dead, diseased, damaged or crossing branches.

Reason: The works will reduce loading on old pollarded points and reduce further pressures for the tree to be pruned harder in the future. the crown reduction will alleviate harm to the adjoining property, and a restrictive thinning of the crown will aid the tree's recovery from the overall works.
