Dear Mr. Hendry

**WORKS TO WILLOW TREE: 9 THE FRONT, POTTEN END**

I write to inform you that Dacorum Borough Council has no objections in regard to the application registered on the 15 August 1997 to prune a Willow tree at the above address. This decision was made on 23 September 1997 and allows you to progress these works.

I have also enclosed a list of Council recognised Tree Surgeons and Forestry Contractors which you may consider approaching to undertake these works.

Yours Sincerely

**Teresa Mattick
