Dear Sirs,

Re:

Application for 10B Consent
11Kv Overhead Line - Hamberlins Farm, Dudswell

I write with reference to the above and the endorsement made by Dacorum Borough Council on form SF.266/76, to safeguard trees in the area of the proposed overhead line.

Prior to the application being made, the site was visited by Miss R. Chapman, Tree Officer, Dacorum Borough Council. I indicated to Miss Chapman a Robinia Pseudoacacia tree at point 'G' on the plan, which it was proposed to fell. She examined the tree and found it to be badly forked with woodrot in a number of the boughs, which would create problems in the future. In view of this, no objections were raised to the felling of this tree. All necessary care will be taken with any other trees which may be near the new overhead line.

Yours faithfully,

E.G. BORCHART
