REASONS FOR REFUSAL  
OF APPLICATION: 4/1335/95

Date of Decision: 23.01.1996

The satellite dish detracts from the appearance of the listed building and should be refused for the following reason:

The positioning of the satellite antenna has a detrimental effect on the appearance of the listed building by causing distraction to the rhythm of the fenestration of the gabled rear parts of Primrose Cottage and the adjacent properties. The satellite significantly detracts from the special characters and appearance of the listed building.
