REASONS FOR REFUSAL  
OF APPLICATION: 4/1341/90

Date of Decision: 18.12.1990

1. The proposed two storey extensions, due to their mass and design, are unsympathetic to the character of adjacent and nearby development would be detrimental to the environment of the locality.
2. The proposal would result in a cramped form of development, which would be at variance with the general spacious character of the area.
