Dear Sir

The application was made in accordance with the provisions of Section 82 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

The information submitted with the Council's application has been considered and it is noted that no representations were received in response to the public advertisement. The Secretary of State is satisfied that the works are acceptable in so far as the character of this building of special architectural or historic interest is concerned. Accordingly he hereby grants listed building consent for the installation of an air conditioning unit on the roof of 46-48 High Street, Hemel Hempstead, Hertfordshire as referred to in application numbered 4/1364/96DL dated 21 October 1996 and as shown on the accompanying drawings also numbered 4/1364/96DL subject to the condition that the works to which this consent relates shall be begun not later than the expiration of five years beginning with the date on which this consent is granted.

This letter does not convey any approval or consent required under any enactment, bye-law, order or regulation, other than Sections 8 and 60 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Yours faithfully
