REASONS FOR REFUSAL
OF APPLICATION: 4/1365/96

Date of Decision: 13.02.1997

The site is within the Metropolitan Green Belt on the adopted Dacorum Borough Local Plan wherein permission will only be given for development which is appropriate for a rural area. The proposal involves new building for purposes which are inappropriate in a green belt, particularly so far as the size and height of the proposed building are concerned, and no special justification has been put forward to overcome the strong presumption against such development.
