Dear Ms Strangleman,

**PROPOSED SINGLE STOREY CLASSROOM BUILDING AT BRIDGEWATER
MIDDLE SCHOOL BRIDLE WAY BERKHAMSTED**

I refer to your recent application on the above subject which was submitted under regulation 3 of the Town and Country Planning General Regulations 1992.

This Council does not wish to raise any objection to the proposed single storey classroom building at Bridgewater School. However, the adequacy of car parking at the school should be carefully considered.

As the contractors compound is adjacent to residential properties this Council would hope that due consideration is given to the amenities of the occupiers of these properties during the construction period.

There are no highway or drainage objections to the proposal.

Yours sincerely
