**APPLICATION 4/1421/91
VICTORIA HALL, AKEMAN STREET, TRING (REMOVAL OF FALSE STUCCO-WORK,
INSTALLATION OF GLAZED PANEL AND INSTALLATION OF LIGHT)**

Planning application 4/1421/91DC was considered by the Council's Development Control Committee at its meeting on 19 December 1991 and it was resolved that the development referred to by the application should be carried out pursuant to Regulation 4 (5) of the Town and Country Planning General Regulations 1976.

The members, however, noted with concern that precise details of the lamp and fixtures to be installed had not been provided with the application and I would, therefore, request that the details of the lamp to be used be submitted to my department for approval prior to the commencement of work on site.

Mr McFarland of my department will be happy to offer any advice which may be required in respect of this matter.

COLIN BARNARD
DIRECTOR OF PLANNING
