16th January 1980

Dear Sirs,

Erection of two-storey side extension
4 Berrymead, Hemel Hempstead

I refer to your planning submission in respect of the above proposal and to my letters dated 15th November 1979. Since I have heard nothing from you in respect of the points raised in that letter, then unless I hear from you within the next 7 days, I propose to treat the proposal as a "deemed refusal". This will not of course prejudice any future submission.

Yours faithfully,

8

Director of Technical Services
