Dear Sir/Madam

**WORKS TO TREES IN THE CONSERVATION AREA:
COWPER HOUSE, COWPER ROAD, BERKHAMSTED, HERTS, HP4 3DE**

Thank you for your letter of 11 August 1999 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reasons:

1. Although the tree has some amenity value, the close proximity of the tree to the adjoining property may have implications for its long term retention.

To avoid vigorous regrowth and to maintain the tree's aesthetic appearance, it is recommended that works to the tree should be limited to crown thinning by 20% and crown lifting / reduction over the neighbouring property.

This decision, which was made on 07 October 1999, allows you to progress these works.

Yours faithfully

Director of Planning
