

## TOWN &amp; COUNTRY PLANNING ACTS, 1971 and 1972

## DACORUM BOROUGH COUNCIL

To Mr P Smith  
Ivanhoe  
Eaton Bray Road  
Northall Dunstable

Edmund Tory Associates  
254 High Street  
Berkhamsted  
Herts

... 1st floor and 2 storey side extension

at The Paddocks, Pickford Road Markyate Herts

Brief  
description  
and location  
of proposed  
development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby refuse the development proposed by you in your application dated 1.8.88 and received with sufficient particulars on 1.8.88 and shown on the plan(s) accompanying such application.

The reasons for the Council's decision to refuse permission for the development are:—

The site is within a rural area beyond the Green Belt on the adopted Dacorum District Plan wherein permission will only be given for use of land, the construction of new buildings, changes of use of existing buildings for agricultural or other essential purposes appropriate to a rural area or small scale facilities for participatory sport or recreation. No such need has been proven and the proposed development is unacceptable in the terms of this policy and by reason of the prominence of this building with regard to the Chilterns Area of Outstanding Natural Beauty.

Dated 19th day of October 1988

Signed *Wm Barnard*

SEE NOTES OVERLEAF

P/D. 15

Chief Planning Officer

#### NOTE

1. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with s.36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, BS2 9DJ). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
2. If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Borough Council in which the land is situated, a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.
3. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in s.169 of the Town and Country Planning Act 1971.

To the Chairman of Development Control Committee, Dacorum Borough.

Dear *Mr Barnard*

Re : Planning Application 4/1458/88

Extension to The Paddocks, Cheveralls Green, Markyate

I think the refusal of the above application was a mistake, and that the reasons given for refusal were specious and irrelevant.

It seems that the excuses for rejection show that no proper consideration was given to the case and that the site was never considered in the context of its surroundings.

I fully appreciate that the Planning Department is overstretched with the amount of work it is required to do, therefore I am going to ask for this item to be referred back to the Committee, as I feel in this case a wrong decision has been made.

Yours truly,

*R.P. Kent*
