WORKS TO A PRESERVED TREE

Your application for *works to a tree protected by a TPO* dated 19.11.1992 and received on 20.11.1992 has been **GRANTED**, subject to any conditions set out on the attached sheet(s).

Director of Planning.

Date of Decision: 16.12.1992

(encs. - Conditions and Notes).

CONDITIONS APPLICABLE
TO APPLICATION: 4/1482/92

Date of Decision: 16.12.1992

1. The following works only shall be carried out:
 - (i) selectively thin crown by up to 30% and prune to reshape judiciously;
 - (ii) shorten back lateral branches extending over garden by a maximum of 3 metres.
 - (iii) remove deadwood, snags and any weak or crossing branches.

Reason: The works will alleviate the nuisance to the garden by shading and moisture uptake without being significantly detrimental to the amenity value of the tree.

2. All works shall be carried out to British Standard 3998 Recommendations for tree Work (1989).

Reason: In the interest of the health and safety of the tree and to maintain good standards of work.

3. The works hereby permitted shall be completed within two years of the date of this decision.

Reason: Outside this timescale a different specification of works might be required.
