2. Notwithstanding the provisions of the Town and Country Planning General Development Order 1988 or any amendments thereto, there shall be no extension or addition to the building(s) hereby permitted without the express written permission of the local planning authority.

Reason: In order that the local planning authority may retain control over further development in the interests of residential and visual amenity.

3. Notwithstanding the provisions of the Town and Country Planning General Development Order 1988 (or any order revoking and re-enacting that Order), no garages shall be erected (other than those expressly authorised by this permission).

Reason: In order that the local planning authority may retain control over further development in the interests of residential and visual amenity.

4. The development hereby permitted shall not be occupied until the arrangements for vehicle parking shown on Drawing No. 1941.PD/1A shall have been provided, and they shall not be used thereafter otherwise than for the purposes approved.

Reason: In order that the local planning authority may retain control over further development in the interests of residential and visual amenity.

6. Reason: In order that the local planning authority may retain control over further development in the interests of residential and visual amenity.

CONDITIONS APPLICABLE
TO APPLICATION: 4/1486/93

Date of Decision: 20.01.1994

7. All windows and doors shall be constructed of timber.

Reason: to ensure a satisfactory appearance.

8. The development hereby permitted shall only be occupied by a person engaged in the care and supervision of horses stabled at the premises or kept at Church Farm, Aldbury or Pendley Farm, Tring Station, or a dependant of such a person residing with him or her, and no other part of the premises shall be used either primarily or incidentally for residential accommodation without the express grant of planning permission by the local planning authority.

Reason: The provision of dwellings in the countryside is contrary to the local planning authority's general planning policy for the area, and were it not for the special justification which has been established in this instance, the development would not be permitted.
