for existing use or development

The Dacorum Borough Council hereby certify that on 8 November 1996 the use described in the First Schedule hereto in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this Certificate was lawful within the meaning of section 191 of the Town and Country Planning Act 1990 (as amended), for the following reason:

*The permitted use of the building is as an office, training and medical loan centre, which is a use falling within Class B1 of the Schedule to the Town and Country Planning (Use Classes) Order 1987. The use referred to in the First Schedule falls within the same use class; therefore, the change from the permitted use to the existing use was not development within the meaning of section 55 of the Town and Country Planning Act 1990, and the existing use is therefore lawful.*

### **Notes**

1. This Certificate is issued solely for the purpose of section 191 of the Town and Country Planning Act 1990 (as amended).
2. It certifies that the use specified in the First Schedule taking place on the land described in the Second Schedule was lawful on the specified date, and, thus, was not liable to enforcement action under section 172 of the 1990 Act on that date.
3. This Certificate applies only to the extent of the use described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
