HEATHER WAY - QUEENSWAY HEMEL HEMPSTEAD
11 SINGLE PERSON DWELLINGS

I refer to the application made under the Town and Country Planning General Regulations in respect of the above proposal. The matter was referred to Development Control Committee on the 21st February, when it was resolved to carry out development pursuant to the provisions of Regulation 4(5) of the Town and Country Planning General Regulations 1976. Whilst raising no objection in principle to the development members were anxious that the parking areas should be delineated by the use of brick pavers or similar materials, and would not wish to see the whole area surfaced in tarmac.
